Re **Assay Office at Vancouver.**

DEPARTMENT OF THE INTERIOR, OTTAWA, May 3, 1902.

SIR,—In response to your letter of the 30th ultimo, addressed to the Deputy Minister of the Interior and referred to me, I have the honour to report that from the opening of the Assay Office to April 9, 1902, 569 deposits of gold dust, representing 63,577.06 ounces, to the value of $1,046,432.53 have been received and assayed. These deposits are distributed according to their source as follows:—

Yukon Territory	48,459.04 Oz.	$788,577.07
British Columbia	12,842.30 "	222,470.10
North-west Territories	218.04 "	3,990.71
Ontario	1,995.27 "	30,266.47
Unclassified	62.41 "	1,128.18
	63,577.06 "	$1,046,432.53

For the purpose of ascertaining the actual value of any deposit the charges of the United States Assay Office at Seattle have been adopted by the Dominion of Canada Assay Office at Vancouver, (see Order in Council of September 11, 1901) which are as follows:—

1st Charge, Assaying and stamping charge $\frac{1}{8}$ of 1 per cent on gross value of gold and silver contained in the deposit.

2nd Charge, Melting charge: One dollar for each melt.

3rd Charge, Parting and refining charge: 4 cents per ounce on the weight after melting.

4th Charge, Toughening and alloy charge: 2 cents per ounce on $\frac{1}{11}$ of the standard weight of gold in the assay.

5th Charge, in paying for silver $\frac{1}{99}$ of the standard weight of gold is deducted from the gross standard weight of the silver contained in the deposit.

Deducting these charges from the gross value of the deposit gives the net or full value of the deposit authorized by Order in Council, September 11, 1901, to be paid to depositor by the Canadian Bank of Commerce.

The first and second charges are assay charges collected by the Seattle Assay Office, to which the gold is sold by the bank. The other charges are mint charges, representing the cost of converting the bullion into coin and are collected at the mint where the gold is coined.

There is hence no revenue derived from gold assays made in the Dominion of Canada Assay Office. On the establishment of a Mint in Canada the charges above referred to become collectible on all gold sent to this mint. According to request duplicates of all Orders in Council relating to the Assay Office, Vancouver, are enclosed.

I am, sir, your obedient servant,

The Auditor General. EUGENE HAANEL, *Superintendent of Mines.*

Re **Missappropriated Funds—Yukon.**

AUDIT OFFICE, OTTAWA, June 26, 1902.

SIR,—The following is an extract from the gold commissioner's financial statement for the month of March last:—

Receipt March 13.

Misappropriated Funds Account.

To order on Comptroller's Office from L. Pacaud, Recorder on account of Hootalinqua September 1901, monthly return, $60.

I have to ask for information of this misappropriated fund account; the amount involved, the circumstances connected with the shortage, and the action taken in reference thereto. Was the defaulting officer under bond of a guarantee company, and if so, has the government been recouped?

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, July 11, 1902.

DEAR SIR,—Referring to your letter of the 26th ultimo, in which you ask for information with regard to an item of $60 which appears under the head of 'Misappropriated Funds Account' in the Gold Commissioner's Financial Statement for the month of March last, I beg to state that this account refers to the shortages in the accounts of the late Thomas Middleton, of the Gold Commissioner's Office, and I am now trying to get as much information as possible on the matter. There would appear to be no question that Mr. Middleton, who was acting accountant, embezzled large sums of money belonging to the government. Discrepancies are gradually coming up in connection with his accounts which would indicate that the amount which he misappropriated in this way will come up to a considerable sum,

You are perhaps aware, that Mr. Middleton took his life away in the month of January last.

Yours truly,

The Auditor General. JAS. A. SMART, *D.M.I.*

AUDIT OFFICE, OTTAWA, July 17, 1902.

SIR,—You state in your letter of the 11th instant that Mr. Middleton, who was acting accountant in the Gold Commissioner's Office at Dawson, embezzled large sums of money belonging to the government, and that you are trying to get as much information as possible on the matter.

I have to ask that you will let me have what further information you may get in reference thereto. I should also be glad to know what check or supervision is exercised over the officer in the Gold Commissioner's Office who receives the cash.

You make no reference to my inquiry whether the defaulting officer was under bonds of a guarantee company; and if so, had the company recouped the government.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

See statement of shortages page L 126.

Re Royalty on Gold.

AUDIT OFFICE, OTTAWA, March 26, 1902.

SIR,—On the return of royalties collected at Dawson in November last I find the following entry viz.:—"Nov. 18. Certificate No. 4,499. The Yukon Corporation Co. No. 35 Above discovery on Bonanza. Total gold production, $48,735.00. Exemption allowed, $5,000.00, royalty paid, $142.57." Also the following note. "The balance of royalty due on this claim, $2,044.18, to be paid later. An extension of time having been granted by the Gold Commr., T.A.W. Inspr."

Why was an extension of time for the payment of royalty given in this case? This is the first instance since the McDonald case in which time for payment of royalty has been allowed.

I should be glad to know under what authority the Gold Commissioner acted. Has the balance of royalty since been paid?

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DAWSON, Y.T., May 29, 1902.

SIR,—I beg to acknowledge the receipt of letter of the 15th ultimo, enclosing a copy of a letter from the Auditor General, asking why an extension of time was granted to Mr. Byrne. who represents the Yukon Corporation, Limited, for the payment of a certain amount of royalty due, under what authority this was done, and whether the balance has since been paid.

I beg to enclose herewith copy of a letter I wrote the Department at the time Mr. Byrne asked to be allowed until May 15, to pay the balance due, (see File 417,173 T & M). In this letter I gave my reasons why I considered Mr. Byrne should be allowed the extension he asked. I considered I could use my discretion in exceptional cases, and withhold from putting into force section 32 of the Placer Mining Regulations, pending the approval or disapproval thereof by the Department. I received no answer to the letter above referred to. The utmost precaution was taken in this case. Mr. Byrne had made his reports. The records of all his properties were noted so that no transfer could be placed on record, and the grants under which the claims were held will not have expired until long after the 15th of May, and the properties are worth ten times the amount of royalty due.

In answer to the last question of the Auditor General I beg to state that the balance of royalty due has been paid.

I am, sir, your obedient servant,

The Secretary, Department of the Interior. E. C. SENKLER, *Gold Commr.*

AUDIT OFFICE, OTTAWA, April 26, 1902.

SIR,—The return of royalties collected at Dawson in January last contains the following entry, viz:—'January 20, certificate 4502, E. V. Cabbage, No. 10, Victoria Gulch, $250'; also the following note 'Back Royalty due in 1900 and 1901, being for half the amount. Balance still due to be paid in 30 days. Signed T. A. Wroughton, Inspr. Collector'.

I should be glad to know how it was that Mr. Cabbage, was not called upon to pay the royalty when it was due, as it appears from the above note to date back about two years.

I have also to inquire if the amount due has since been paid, as the returns from the Yukon Territory for February have been received and I do not find that any royalty has been collected during that month.

I am, sir, your obedient servant,

The Deputy Minister of the Interior, J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, May 5, 1902.

SIR,—I beg to acknowledge the receipt of your letter of the 26th ultimo, with respect to the balance due for royalty on gold mined from Claim No. 10 on Victoria Gulch, amounting to $250.00, and in reply to inform you that the records of this Department would appear to indicate that the original owner of this claim failed to pay royalty amounting to $500.45, and subsequently abandoned the claim; that Messrs. M. A. MacQueen and W. N. Gray obtained entry for the claim subject to the payment of the above balance due for royalty; that the re-locators, however, failed to comply with the conditions of the entry which was accordingly cancelled for non-payment of the royalty; and that on the 5th ultimo the Gold Commissioner was instructed to sell the claim at public competition, the balance due for royalty to be a first charge against the proceeds. The balance due is $250.45, which will no doubt be paid when the sale of the claim has been effected.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

AUDIT OFFICE, OTTAWA, March 14, 1902.

SIR,—In the statement of royalties collected during the week ended August 10, 1901, at Grand Forks, Bonanza, there appear the following entries in the name of the Yukon Gold Fields, Ltd. :—

Description of claim.	Gross production.	Exemption.	Royalty paid.

Ben Atkinson, " " 4th " "	5,730 72	5,000 00	36 53

The Order in Council dated March 13, 1901, reducing the royalty to 5 per cent continues the provision formerly made of an exemption of $5,000 from the gross annual output of *a claim* when estimating the amount upon which royalty is to be calculated.

Can each of the above entries be considered as separate claims, and subject to the exemption under the above Order in Council? They are all numbered No. 1 above Discovery, Bonanza, and two of them are on the 4th tier and two on the 5th.

It also calls for further information that precisely the same amount was realized from each claim. Are the miners required to make declaration of the output of each claim? Are the declarations and statements of the miners verified to any extent by inspectors?

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, April 4, 1902.

SIR,—I beg to acknowledge the receipt of your letter of the 14th ultimo, with respect to the royalty collected on the output of six placer mining claims being, bench claims No. 1 above Discovery on Bonanza Creek, standing in the name of the Yukon Gold Fields, Limited, and in reply to inform you that the above company furnished separate affidavits with respect to the output on each of these claims. The affidavit in connection with each of the claims contained the following clause :—

'This claim was worked with five others; the total amount of gold taken from the six claims was $34,384.35; and at least $5,000 worth of gold was taken from this claim.'

According to the records of this department the claims referred to are six distinct and separate claims, each of which is entitled to an exemption of $5,000 per annum upon the gross output thereof. The company reported the output of each claim as precisely the same, and they would appear to have arrived at this amount by dividing the total output, $34,384.35 by the number of claims operated. So long as each claim produced at least $5,000 worth of gold no loss of revenue would result from such a division.

A declaration with respect to the output of each claim is made by the operator, and the declarations and statements furnished are verified as far as possible by the Inspectors of Mines.

Your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

AUDIT OFFICE, OTTAWA, April 10, 1902.

SIR,—I have received your letter of the 4th instant in reference to the exemptions allowed on six placer mining claims on Bonanza Creek.

I regret to say that I do not find the explanation offered very satisfactory.

A firm owns six claims all bearing the same number, three on the third tier, two on the fourth and one on the fifth.

An exemption is made of $5,000 for each of the six sections, the amount of the gross production being entered precisely the same from each, viz: $5,730.72.

The only evidence your officers seem to have had was an affidavit (it is not stated by whom made) in connection with each claim containing the following clause:

'This claim was worked with five others; the total amount of gold taken from the six claims was $34,384.35; and at least $5,000 worth of gold was taken from this claim'.

It seems singular that your officials did not have this case looked into by one of the inspectors before accepting it.

You state that according to the records of your department the claims are distinct and separate and each entitled to the exemption.

I have to inquire what official is responsible for the entries made in the records of your department, and on whose authority it was decided that they were each entitled to the exemption.

Might I suggest that you should give this matter a further examination and inform me of the results?

I am, sir, your obedient servant,

The Deputy Minister, Interior Department. J. L. McDOUGALL, *A.G.*

DAWSON, Y. T., May 30, 1902.

SIR,—I beg to acknowledge receipt of departmental letter of the 16th ultimo, inclosing copy of correspondence with the Auditor General in relation to the exemptions on six bench claims on Bonanza Creek, owned by the Yukon Gold Fields, Limited.

The first point on which the Auditor General seems to be in doubt is as to whether there are actually six claims. There are two claims in each tier, because a bench claim is 250 feet square, and the creek claim opposite which they are described is 500 feet long. In explanation of the term 'tier' the two hill claims adjoining the creek claims are termed as in the first tier, (as I stated above there are two hill claims opposite each creek claim on each side of the creek, as the creek claims are each 500 feet long and the hill claims only 250,) then the first bench staked back of the hill claim is described as in the second tier, the bench claim staked back of the bench in the second tier is described as in the third tier, and so on. There are cases where bench claims are staked as far back as in the 17th tier. I hope this makes it clear how two claims described in the same tier can be opposite the same creek claim. (All creek claims on Bonanza Creek were staked under the old regulations, 500 feet long.)

Bench claims are generally described as opposite either the upper or lower halves of the creek claim opposite. The defect in the descriptions of the claims in question is the fault of the original applicant, who always describes the claims he stakes when he applies for record. I inclose draft of survey of the claims in question, made by C. S. W. Barwell, D.L.S. The company's claims are marked with an 'X'. There is no doubt there are six distinct claims.

The affidavit as to the output of these claims was made by the manager of the company to which the properties belong. In all cases where the owner of the claim does not know the actual output, the person who is in control of the clean up makes the affidavit as to the output.

The North-west Mounted Police have had in their hands the collection of royalty since 1899. They received instructions from myself to examine all property upon which any work was being done before the spring clean up, and to obtain what information they could with the object of being able as far as possible to check the monthly reports made by the miners in the spring. In this work they were helped by the mining inspectors, who make quarterly reports of the work going on in the different districts, (up to a year ago they made monthly reports.) No matter how careful the police are in examining the dumps and making inquiries, or how careful the mining inspectors are in obtaining the information upon which their reports are made, it is impossible to make anything like an accurate estimate of what the result of the washup on each claim will be.

The affidavits in this case were taken before Sgt. Raven, and I assume from the information he had, both from his own staff and from the mining inspector, he had no reason to disbelieve what Mr. Armstrong states, namely, that at least $5,000 came from each of the claims in his group. Sgt. Raven has left the territory. However, I am getting what information I can in the matter from the Commanding Officer of 'B' Division of the North-west Mounted Police. Where a claim owner has a group of claims together, by working on a large scale and placing all the pay dirt from the different claims in one dump, he is able to work ground that could not otherwise be profitably worked. This being the case it would be unjust to compel the owner of a group of adjoining claims to distribute his output of pay dirt so that at the conclusion of the washup he is able to make an affidavit of the actual output of each claim. If they were compelled to do this many groups of claims worked at the present time would not be worked at all. We must therefore, accept the owner's affidavit if he is ready to swear that $5,000 came out of each claim, unless an examination of the ground shows that what he states is false. As the owner or manager of a group of claims throws the pay dirt out and places it in a dump he continually pans the ground thawed in order to know the value of the dirt he is taking out. In this way he obtains a fairly correct idea of the value of the dirt from the different portions of his claims. The Auditor General, in the second to last paragraph of his letter of April 10, asks who is responsible for the entries made in the record. I assume he refers to the description given by the applicant when he applied for record in each case. These applications were accepted and grants were issued thereon in the spring of 1898. I do not know who accepted them as that was during Mr. Fawcett's time.

I instructed the police that under section 31 of the Placer Mining Regulations each claim worked is entitled to the annual exemption of $5,000. If the output of each of these six claims exceeded $5,000, as stated in Mr. Armstrong's affidavit, I think he is entitled to the exemption allowed by the regulations on each claim. There is not doubt these affidavits, on their face, are open to suspicion but I have no doubt the police had information that satisfied them when they were accepted.

The claims on the inclosed plan are not full-sized claims, but under section 31, every distinct location is entitled to the full exemption whether it is a full-sized claim or only a fractional claim.

I may add that this survey of these claims was made in 1898, and is a private survey ordered by the owners of the claims. It has never been advertised under section 46 of the regulations. The great majority of claims that pay royalty are not surveyed, and where they are not, the report of the mining inspectors, and the examination of the creek by the police who collect royalty, have to be relied on as to the existence of claims upon which the exemption is claimed. Our staff of surveyors would have to be increased tenfold to survey all the claims that are located in the territory.

I am, sir, your obedient servant,

E. C. SENKLER,
Gold Commissioner.

The Secretary, Department of the Interior.

Re Infringement on Gold Hill.

AUDIT OFFICE, OTTAWA, March 17, 1902.

SIR,—The only information furnished this office in connection with an Infringement on Gold Hill, $95.25, is a copy of a letter addressed to the gold commissioner by Mr. A. C. Robertson, Inspector of Mines, which reads as follows:

'I have returned to the accountant of your office the sum of $95.25, which amount was two-fifths of the proceeds of a dump of rocker trailings taken from a fractional bench on Gold Hill by the owners of the Morgan Claim.'

This amount is included in the July statement of the gold commissioner which with all the revenue returns for that month, it is said was lost with the steamer *Islander*. The wrecking of this steamer will probably account for the absence of the vouchers.

However, I should be glad to have a statement showing the total amount taken therefrom and the disposition made of the other three-fifths of the proceeds of the dump, and certified by proper officer.

I am, sir, your obedient servant,

The Deputy Minister, Interior Department. J. L. McDOUGALL, *A.G.*

GRAND FORKS, Y. T., April 19, 1902.

SIR,—In answer to your request to make an explanation required by the Auditor-General as to the amount paid from a dump that was seized, a portion of which was taken from a fractional claim by the owners of the Morgan claim on Gold Hill, I beg to state that the total amount taken from this dump was $238.12. At the time I examined the property I came to the conclusion that as near as I could estimate two-fifths of this dump came from the fraction belonging to the Crown, and three-fifths came from the Morgan claim. The owners of the Morgan claim were therefore allowed to retain three-fifths of the amount, and the remaining two-fifths, namely, $95.25 was paid by me into the Gold Commissioner's office.

I am, sir, your obedient servant,

The Gold Commissioner, Dawson. A. C. Robertson, *Mining Inspector.*

***Re* Treadgold Exemptions.**

AUDIT OFFICE, OTTAWA, March 18, 1902.

SIR,—Upon examination of the returns from the Gold Commissioner's Office for the month of September last, I find the following entry on Statement No. 1419 of payment in lieu of assessment work—Placer viz: 'September 26, Receipt No. 328. Thos. H. Ashby, Creek 11a Bonanza $50.00. Under Order in Council of January 2, 1901, Treadgold *et al.*, are exempt from representation on claims held by them. Treadgold *et al*, are recorded owners of $\frac{3}{4}$ interest in this claim.'

I have to ask you to furnish me with a certified copy of the Order in Council exempting Treadgold *et al.*, to the extent of $150. in this case.

I am, sir, your obedient servant,

The Deputy Minister, Interior Department. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, March 24, 1902.

SIR,—I beg to acknowledge the receipt of your letter of the 18th instant with respect to the payment of $50, by Mr. Thos. H. Ashby in lieu of assessment work on Placer Mining Claim No. 11 above discovery on Bonanza Creek, the balance of the amount re-

quired by the regulations being exempted under the authority of an Order in Council dated January 2, 1901, and in reply to say that as there would appear to be no Order in Council of the above date authorizing the above exemption, the Gold Commissioner has been asked to report. A copy of an Order in Council dated June 12, last, granting Messrs. Ewing, Treadgold and Barwick certain abandoned claims without any payment except royalty is herewith inclosed for your information. It is thought that this is the Order in Council referred to in the above return.

Your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

DEPT. OF THE INTERIOR, OTTAWA, March 24, 1902.

SIR,—In reply to your letters of the 20th instant. I beg to inclose herewith a set of the Orders in Council under which Messrs. Ewing, Treadgold and Barwick are granted certain abandoned claims on Bonanza, Bear and Hunker Creeks in the Yukon Territory, subject to no payment except the royalty prescribed upon the output.

Your obedient servant.

The Auditor General. P. G. KEYES, *Secretary.*

Re Returns from the C. T. A. Dawson.

AUDIT OFFICE, OTTAWA, May 9, 1902.

SIR,—I observe that it is the practice of the Crown Timber Agent at Dawson to include in his monthly returns all the receipts from Fort Selkirk, Forty Mile, Stewart River and White Horse derived from the timber and hay business.

As this practice entails considerable extra work in the examination and classification of the revenue of these offices, I would suggest that he make a separate return of the collections at his office in Dawson, in the same manner as is done by the agents enumerated above.

He should also make a summary of all returns pertaining to timber and hay transactions in the Yukon Territory, showing a classified statement of the revenue by agencies on the one side and a detailed statement of the deposits in acquittance on the other.

I am, sir, your obedient servant,

The Deputy Minister, Interior Department. J. L. McDOUGALL, *A.G.*

Re Refunds of Fees—Free Miner's Certificates.

AUDIT OFFICE, OTTAWA, September 4, 1902.

SIR,—On September 5, 1901, $480, was refunded to J. A. Osborne, the fees on 48 Free Miner's Certificates, no entries having been granted to any of the persons to whom the certificates were issued.

On May 20, 1902, $590, was refunded to A. F. Corbin, amount paid by J. A. Osborne, for 59 Free Miner's Certificates which have been returned to the department unused.

I have to ask for the authority on which these refunds were made and the circumstances which justified them. Is it customary to refund the fees on any Free Miner's Certificates not used?

Refunds made under the authority of the Audit Act require that they shall be approved by the Treasury Board and passed by the Governor in Council.

I am, sir, your obedient servant,

The Deputy Minister, Interior Department. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, September 15, 1902.

SIR,—I am directed to acknowledge the receipt of your letter of the 4th instant, with respect to refunds of fees paid for Free Miner's Certificates, in which you stated that in September 1901, the sum of $480, was refunded to Mr. J. A. Osborne, and in May last, the sum of $590, was refunded to Mr. A. F. Corbin, on account of Free Miner's Certificates issued, and returned to the department unused.

In reply I am to say that the cheque for $480 issued in favour of Mr. Osborne, was returned to the department and deposited to the credit of the Receiver General in May last.

In the year 1900, Messrs. Osborne and Pelton were permitted, under the regulations, to stake out and obtain entries on behalf of themselves and others for fifty-nine claims in the Provisional District of Ungava, upon their taking out Free Miner's Certificates in favour of the several persons on whose behalf they might desire to obtain entries for the claims in question. Mr. Osborne accordingly remitted $590 in payment for fifty-nine Free Miner's Certificates to be issued in favour of the persons whose names he furnished, but he explained that since he might not require to stake claims for all of the persons in whose favour certificates had been issued he would expect to receive a refund of the amount paid for such certificates as might be issued in the names of persons on whose behalf he did not stake out or obtain entry for a claim. The department agreed to this arrangement.

In August, 1901, Messrs. McGibbon, Casgrain, Ryan and Mitchell, furnished the department with an affidavit from Mr. Osborne, to the effect that he had not staked claims for the persons on whose behalf he hed obtained Free Miner's Certificates, and they asked that the sum of $480 be refunded, the certificates to that value having been returned to the department unused.

In accordance with the departmental promise made to Mr. Osborne, a refund cheque in his favour for $480 was prepared and forwarded to his solicitors which they returned to the department with the request that the cheque be issued in favour of Mr. A. F. Corbin for the full amount of $590 paid for fifty-nine Free Miner's Certificates, all of which had been returned to the department unused.

As Mr. Osborne had filed an order that the money be paid to Mr. Corbin, a cheque in his favour for $590 was prepared and forwarded to his solicitors.

A copy of Mr. Osborne's letter of May 31, 1900, and of the departmental reply thereto of the same date is herewith inclosed for your information.

Your obedient servant,

P. G. KEYES, *Secretary.*

DEPARTMENT OF THE INTERIOR, OTTAWA, May 31, 1900.

SIR,—In reply to your letter of this date, inclosing a cheque for $590, in payment of the fees for the issue of fifty-nine Free Miner's Certificates for any one on whose behalf you do not stake out a claim, the money so paid will be refunded to you upon your furnishing the department with evidence that no claims have been recorded in the names of such persons.

Your obedient servant,

J. A. OSBORNE, Esq., Ottawa, P. C. KEYES, *Secretary.*

Re Delay in Depositing Receipts at Rat Portage.

AUDIT OFFICE, OTTAWA, May 6, 1902.

SIR,—The return of Free Miner's Certificates from Mr. P. H. Austin, Rat Portage, shows the Certificates were issued on the following dates viz. :—

87102	July	22	$10.00
87103	Aug.	16	10.00
87104	"	24	10.00
87105	Sept.	26	10.00
87106	"	26	10.00
87107	"	26	10.00
			$60.00

I find that he did not make a deposit to cover the above until the 16th December, when he deposited $60, in the Bank of Ottawa at Rat Portage.

According to the Executive Regulations governing Revenue Audit, he should have made deposits on, or the day following, August 24 and September 26.

I should be glad to have an explanation of the delay in making the deposit, also furnishing the return, as the latter is stamped December 21 by the correspondence registration branch.

I am, sir, your obedient servant,

The Deputy Minister Interior Department. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, May 12, 1902.

SIR,—I beg to acknowledge the receipt of your letter of the 6th instant, asking for an explanation of the delay which occurred in depositing to the credit of the Receiver General the sums collected by Mr. P. H. Austin, of Rat Portage, for Free Miner's Certificates which he issued, and in reply to inclose herewith a copy of the departmental letters of the 16th September and the 7th of November last to Mr. Austin with respect to this matter. As no reply was received from Mr. Austin to either of these communications he was again written to on the 9th of December last, and on the 21st of that month the returns asked for were received here. Owing to the difficulty in obtaining returns from Mr. Austin, and as very little business was being done at his sub-agency, he was advised on the 16th of September last that it had been decided to close his office, and he was asked to return to this department the Free Miner's Certificate forms then in his possession, which he has since done.

Your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

AUDIT OFFICE, OTTAWA, June 26, 1902.

SIR,—A year's rental, $50, matured on April 1, on the land in front of the Provincial Buildings, Quebec; and a year's rental, $750, matured on June 17, on the Commissariat fuel yard, Quebec. Both these properties are leased to the Provincial Government.

I have to ask you to send an application to this office for an Entry Warrant debiting the Quebec Provincial Subsidy with $800, and crediting Ordnance Lands Revenue with this amount.

I understand that all previous arrears are to be charged to Province Debt account.

I am sir, your obedient servant,

The Deputy Minister of Interior. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, November 24, 1902.

SIR,—You stated in your letter dated November 27, 1901, that the lease to the South Essex Gun Club was for a term of 21 years from April 6, 1885, at $400 per annum, payable half yearly in advance, amount due on June 30, 1901, $800.

On June 24 last, $400 was paid on account of arrears due, leaving a balance still due on June 30, 1902, of $800 not counting interest.

I have to inquire what steps have been taken in reference thereto.

I am sir, your obedient servant,

The Deputy Minister, Interior Department. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, November 29, 1902.

SIR,—I have the honour by direction to acknowledge the receipt of your letter of the 24th instant in reference to the arrears of rent due by the South Essex Gun Club on account of its lease of the Naval Reserve at Point Pelee, Ontario.

In reply I am to inform you that action is being taken for the cancellation of the lease in question on account of non-fulfilment of its conditions, while the Department of Justice has been requested to collect the arrears of rent.

I am sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

Re Sheriff's Fees—Yukon Territory.

AUDIT OFFICE, OTTAWA, December 30, 1901.

SIR,—I have received your letter of the 23rd instant, inclosing statements of the fees colleeted during July, August and September last by Sheriff Eilbeck of the Yukon Territory.

The gross receipts were, $2,795 06.

Less disbursements—

N. W. Mounted Police and others for serving papers	$ 406 00
J. M. Eilbeck as deputy sheriff	750 00
Retained by Sheriff as his share of fees	819 53
Deposited to credit of Receiver General	819 53
	$2,795.06

An Order in Council passed May 31 last, increases the sheriff's salary from $2,000 to $3,000 per annum, his living allowance from $1,200 to $1,800; and in addition allows him to retain one-half of the fees, after paying remuneration and expenses of his deputy or deputies and other expenses, instead of depositing the whole of them as formerly. The latter part of this order clearly conflicts with R. S. chap. 29, sect. 27, which directs that in all cases the gross revenues shall be deposited.

This Order in Council cannot be considered as authorizing the sheriff to appoint a deputy at a fixed salary of $3,000. Has any other Order in Council been passed in reference thereto?

The amount paid the N. W. Mounted Police in 1900-1901 for service of papers, &c., was less than 14 % of the gross receipts; the amount paid during July, August and September last was over 14 %, with the added expense of the salary of the deputy sheriff.

During the summer of 1900 Sheriff Eilbeck was paid $2,751.37 by the Department of the Interior for 14 days' services as auctioneer at the sale of mining claims in the Yukon.

The balance of last year's fees, $325.79, does not seem to have been yet deposited.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

JUSTICE DEPARTMENT, OTTAWA, January 8, 1902.

Sir,—I have the honour to acknowledge receipt of your letter of 30th ultimo respecting the fees collected by Sheriff Eilbeck.

I am not at all satisfied that the sheriff's fees in the Yukon are revenues of this department within the meaning of section 27 of the Consolidated Revenue and Audit Act, but whether they are or not it seems to me that the words of the Supply Act authorize the arrangement made with the sheriff. You will observe that the Government is authorized to pay him a salary of $3,000, 'in addition to such fees of office as may be allowed by the Governor in Council.' These words seem to commit to the Governor in Council a discretion to allow the sheriff to retain such fees or portion of fees as the Governor in Council determines.

No Order in Council has been passed authorizing the appointment of a deputy sheriff, and I do not understand why you should consider such an order necessary.

In the paragraph of your letter in which you compare the cost of serving papers in 1900-1 with the cost in July, August and September last, you appear to think that the salary of the deputy sheriff is a new and additional expense. In this you are in error, as during 1900-1 a deputy sheriff was employed and paid, the only difference being that for that year his salary and living allowance were charged against the appropriation known as 'Yukon Miscellaneous' instead of being deducted from the amount of fees collected. Your comparison therefore is unsound.

I am, sir, your obedient servant,

The Auditor General. E. NEWCOMBE, *D.M.J.*

AUDIT OFFICE, OTTAWA, January 14, 1902.

SIR,—I have the honour to acknowledge the receipt of your letter of the 8th instant, respecting the fees collected by Sheriff Eilbeck of the Yukon and other matters connected with his position.

I hope that you will not see your way to opposing the application of section 27 of the Consolidated Revenue and Audit Act to these fees.

The fight in England to secure the depositing of the gross revenues to the credit of the Receiver General, or rather the Exchequer account there, lasted more than half a century, but succeeded at last. I am fully persuaded that to adhere to the rule here will be productive of a great saving in the cost of collection, besides the securing of a much larger collection than would otherwise be obtained.

I observe that the Governor in Council is authorized to allow Sheriff Eilbeck such fees as may appear proper; but the Solicitor General explained to Parliament (see page 2768 of unrevised Hansard, April 9, 1901) that the fees to go to Sheriff Eilbeck were not to exceed $1,000 per annum.

What you say in the last paragraph appears correct. I was, therefore, wrong. Will you, however, explain where it appears that the sheriff has a right to employ a deputy, and if so allow him $3,000 per annum. Would not this appointment come under 61 Victoria, chapter 6, section 20?

What steps have been taken to secure the balance of last year's fees, $325.29?

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, April 4, 1902.

SIR,—I have had no reply to my letter of January 14 last in reference to the fees collected at the Sheriff's Office, Dawson.

The return for the month of November is the last to hand.

Your attention is requested.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, June 14, 1902.

SIR,—I raised the point in my letter of January 14 last that Sheriff Eilbeck was only entitled to retain $1,000 out of the fees of his office in any one year, the Minister of Justice having so stated in the House.

You have not replied to that letter and I notice, by the return for March, that the sheriff still continues to retain one-half of the net receipts amounting to $1,093.01.

I also inquired in the same letter what steps had been taken to have the balance of the previous year's fees deposited.

On April 4 I reminded you that I had had no reply to my letter of January 14. On April 5 you acknowledged receipt of my letter of the 4th, and inclosed returns for December and January, but made no reference to the other points raised in my letter.

Do you purpose allowing the sheriff to retain one-half of the net receipts, notwithstanding the statement of the Minister to Parliament?

Have you taken any action in reference to the balance due from the previous year, viz: $325.29?

I shall be glad to have a reply.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

Fees of Sheriff and Clerk of Court, Yukon Territory.

JUSTICE DEPARTMENT, OTTAWA, June 23, 1902.

SIR,—I have the honour to acknowledge receipt of your letters of the 14th and 21st instant.

In reply I beg to inform you that the arrangement made with these officials as to their retaining one half the net fees was for the entire year. It was largely of a tentative character as we had very scanty details of the volume of work devolving upon them, and of the amount of remuneration which would be proper to affix to the offices. It was thought that the amount of net fees for the year would be about $2,000 each, and that the fact that they would receive half of them would be an incentive to them to economize in the way of expenses, and to diligence in collecting the fees.

However, in preparing the estimates for the ensuing year the late Minister, in view of the experience gained decided that all of the fees should come to the Crown, and that the sheriff and clerk should be paid by straight salary of $4,000 each. This arrangement will come into force on the 1st July next.

As to the balance of $325.79 which was for some time overdue by the sheriff an examination of your ledger will show that it was credited to Casual Revenue on the 30th January last, and you were so informed at the time.

I am, sir, your obedient servant,

The Auditor General. A. POWER, *Acting D.M.J.*

Re **Territorial Court Fees, Yukon.**

AUDIT OFFICE, OTTAWA, January 13, 1902.

SIR,—I do not find that anything has come to account for the fees collected by the clerk of the Territorial Court, Yukon. These fees amounted last year to $9,450.60.

In my letter of August 13 last, I called your attention to the Treasury Board regulatian that a daily deposit shall be made when the receipts amount to $25. If any deposits have been made the receipts have not been received. You will no doubt see the necessity of having the Treasury Board regulation observed.

Do you hold any guarantee bond from this officer?

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, January 14, 1902.

SIR,—I am in receipt of your favour of the 13th instant, inclosing statement of the fees collected by the Clerk of the Territorial Court, Yukon Territory, during July, August and September last.

The deposit in acquittance is dated December 14. You will, no doubt, instruct this officer to deposit his fees in accordance with the Treasury Regulations.

The statement of the Solicitor General, referred to in my letter *re* the Sheriff, applies equally to the clerk. They are both entitled to take out of the fees a sum sufficient to make their salaries $4,000. He has now retained more than he was entitled to for the whole year.

Two clerks are employed and each paid $250 per month. By what authority were they appointed and their remuneration fixed? Does section 61, chapter 50, R. S., referred to in my letter *re* the Deputy Sheriff, not apply to these clerks?

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, June 21, 1902.

SIR,—I am in receipt of your letter of the 19th inst. enclosing statement of the fees collected by the clerk of the Territorial Court, Yukon Territory, during April. He has retained one half of the net receipts for himself. The total amount of the fees so retained by the clerk from the receipts from July to April amounts to $2,476.32.

I wrote you on January 14 last pointing out that, according to a statement made by the then Solicitor General in the House, the sheriff and clerk were entitled to take out of the fees of their offices, a sum sufficient to make their salaries $4,000. As they are paid a salary of $3,000 each, they should only retain fees to the extent of $1,000.

I find it strange that I have had no reply to my letter, and that both these officers are still allowed to retain one half of the net receipts.

I am, sir, your obedient servant,

The Acting Deputy Minister of Justice. J. L. McDOUGALL, *A. G.*

(*See* reply dated June 23 on page M—56)

AUDIT OFFICE, OTTAWA, September 30, 1902.

SIR,—On August 13 you forwarded a statement of the fees collected by the Clerk of the Territorial Court at Dawson during May last, and on September 24 you forwarded a statement of the fees collected during June.

These statements are merely unsigned memoranda, giving no details of the receipts, and no vouchers are furnished for disbursements.

The receipts of previous months were audited by Mr. David Macfarlane, and a certified statement furnished accompanied by vouchers for disbursements.

Presumably the receipts during May and June were audited, and I have to ask that the certified statement of the auditor with vouchers may be furnished.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, October 6, 1902.

SIR,—You wrote me on July 28, 1901, that you proposed writing Mr. Justice Dugas and the Commissioner of the Yukon Territory that estreated recognizances recovered in the Territory should be treated as revenue of the Dominion and calling upon the Territorial Government to pay over the moneys paid over to it in May 1901 by Mr. Justice Dugas, which amounted to $3,267.50.

I do not find that this amount has since come to account.

I have the honour to be, sir,

Your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

JUSTICE DEPARTMENT, OTTAWA, October 8, 1902.

SIR,—Referring to your letter of the 6th instant stating that the sum of $3,267.50, being the proceeds of forfeited bail bonds and fines imposed by the Territorial Court of the Yukon Territory and improperly credited to local revenue there, has not yet been transferred to the credit of the Dominion, I have the honour to state that I supposed this had been done, because I wrote the Commissioner on August 28, 1901, requesting that the transfer should be made, and I received an acknowledgment shortly afterwards from the Territorial Secretary stating that the Comptroller's attention had been called to the matter. I have now, however, written the Commissioner again asking him to make the proper credit immediately.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

Re **Police Court Fines—White Horse, Yukon Territory.**

AUDIT OFFICE, OTTAWA, December 17, 1901.

SIR,—I have received from the Finance Department, a return of the fines collected during October last by Mr. Geo. L. Taylor, Police Magistrate at White Horse, Yukon Territory.

This magistrate was appointed June 6, 1901. Were any fines collected previous to October and if so what disposition was made of the funds?

Credit is taken on the return for $229.75 disbursed, but no vouchers are furnished. These should yet be supplied.

As this officer is under the control of your department, the returns should be examined and audited, in the first instance by one of your officers, (R. S. C., chap. 29, sect. 42). If not found satisfactory, the necessary steps should be taken to have them made so. When satisfactory, the return should be endorsed accordingly, and forwarded direct to this office; the bank receipt being sent to the Finance Department.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

JUSTICE DEPARTMENT, OTTAWA, January 27, 1902.

SIR,—Referring to your letter of the 17th ultimo I have communicated with Magistrate Taylor, and now enclose the vouchers for disbursements for which you asked.

Mr. Taylor states that the cases entered in his October return were the first cases tried by him at White Horse, and that he understands that all fines previously imposed by the police were sent to Dawson.

With respect to the last paragraph of your letter I may state that I do not consider the police magistrate at White Horse to be one of our officers in the sense indicated by R.S.C. cap. 29, sec. 42.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

AUDIT OFFICE, OTTAWA, February 3. 1902.

SIR,—In my letter of December 17, I reminded you that the returns of the police magistrate at White Horse should be examined and audited by one of your officers, in accordance with the Act, R.S.C., chap. 29, sec. 42.

In your reply dated the 27th ultimo you state that you do not consider the police magistrate at White Horse to be one of your officers, in the sense indicated by R.S.C., chap. 29, sec. 42.

I understand from this statement, that you do not intend exercising any audit or supervision over the revenue returns of police magistrates. As it is necessary that some department should exercise such powers, I am reporting the matter to the Treasury Board for such action as may be deemed proper.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, February 3, 1902.

SIR,—I inclose a copy of correspondence with the Department of Justice *re* Police Court Fines,

The Deputy Minister of Justice does not consider the police magistrate as one of the officers of his department, whose returns should be examined and audited under his supervision as provided for by R.S.C., chap. 29, sec. 42.

It is necessary that some department should be responsible that these officers observe the regulations regarding the collection and disposition of the fines.

I have to request you to submit the matter to the Treasury Board, and to inform me of the decision in reference thereto.

It is quite clear to me that the Department of Justice should in the public interest make the departmental audit.

I am, sir, your obedient servant,

The Secretary, Treasury Board. J. L. McDOUGALL, *A.G.*

Re Police Court Fines—Dawson, Yukon Territory.

AUDIT OFFICE, OTTAWA, December 17, 1901.

SIR,—Mr. C. D. Macaulay was appointed Police Magistrate at Dawson by Order in Council, dated May 31 last.

No returns have yet been received of the fines collected by him.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, June 7, 1902.

SIR,—According to the returns of the local revenue of the Yukon Territory the following fines collected by police magistrate C. D. Macaulay were paid into that fund during the present fiscal year :—

Fines collected	September,	1901	$ 431
"	October,	"	245
"	November,	"	221
"	December,	"	212
"	January,	1902	75
"	February,	"	171
			$1,355

No doubt other sums have since been paid over to the same account.

Should not these fines be deposited to the credit of the Receiver General as is done by the police magistrate at White Horse?

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

NOTE—The fines collected by Magistrate Macaulay during March, April and May last, amounting to $3,423, were also paid into the local revenue of the Yukon. The fines collected during June were also probably similarly disposed of, though no return has yet reached this office.

JUSTICE DEPARTMENT, OTTAWA, June 11, 1902.

SIR,—I have the honour to acknowledge receipt of your letter of 7th instant, in which you state that according to the returns of the local revenue of the Yukon Territory certain sums consisting of the proceeds of fines imposed by the police magistrate at Dawson have been paid into that fund during the present fiscal year, and ask whether such fines should not be deposited to the credit of the Receiver General as is done by the police magistrate at White Horse.

In reply I beg to state that, in my opinion, such fines, so far as they are imposed for the violation of any law of Canada, if no other provision is made for the application of them, belong to the Crown for the public uses of Canada, and should be dealt with accordingly. I am writing to-day to the Commissioner of the Territory requesting him to pay over to the Dominion exchequer any moneys of this character which have heretofore been received by him, and I am instructing the police magistrate to deposit any such moneys hereafter collected by him to the credit of the Receiver General.

I beg to state, however, that it is the duty of the Finance Department to deal with the revenue derived from this source throughout the Dominion, and it is for that department to take any further steps which may be necessary to have such moneys dealt with as required by law.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

AUDIT OFFICE, OTTAWA, June 17, 1902.

SIR,—I beg to enclose a copy of correspondence with the Deputy Minister of Justice in reference to certain fines collected by the police magistrate at Dawson, Yukon Territory.

You will note that he states in the last paragraph of his letter that it is the duty of the Finance Department to deal with revenue from this source, *throughout the Dominion*, and it is for that department to take any further steps which may be necessary to have such moneys dealt with as required by law.

I wrote you on February 3 last representing that the Department of Justice disclaimed any responsibility for the action of police magistrates, and asking that the matter should be submitted to the Treasury Board.

I shall be pleased to know what action has been taken in reference thereto.

I am, sir, your obedient servant,

The Secretary, Treasury Board. J. L. McDOUGALL, *A.G.*

FINANCE DEPARTMENT, OTTAWA, June 18, 1902.

SIR,—I have the honour to acknowledge the receipt of your letter of the 17th instant, with enclosures, in reference to certain fines collected by the police magistrate at Dawson, Yukon Territory.

In reply thereto I have to say that since receiving your letter of February 3, last, I have had communications on the subject with Mr. Lithgow, the comptroller at Dawson, who informed me that monthly returns are made by the police magistrate of the Yukon Territory to the commissioner, accompanied by the moneys collected, and that this revenue had been deposited to the credit of the Local Revenue, Yukon Territory, since September, 1898.

I wrote Mr. Lithgow that I had been advised by the Deputy Minister of Justice that in his opinion these fines, if imposed for the violation of any law of Canada, should be paid to the Receiver General of Canada unless there was some other provision as to their disposition in the Acts under which they were imposed, and that a refund would have to be obtained of the amounts paid to the local authorities which should have been paid to the Receiver General. I asked him to be good enough to take steps to procure such refund, adding that of course in future all such fines should be deposited to the credit of the Receiver General and not paid to the local authorities.

In reply I was informed by Mr. Lithgow that as the matter of the refund of the fines would have to be referred to Hon. Mr. Ross and he was then out of the country he would defer action until his return, when the question would be brought to his attention.

I have to-day again written to Mr. Lithgow on the subject.

I am, sir, your obedient servant

The Auditor General. J. M. COURTNEY, *D.M.F.*

Re **Binder Twine Industry.**

AUDIT OFFICE, OTTAWA, January 8, 1902.

SIR,—On July 31 last you forwarded the usual monthly statements in connection with the binder twine industry at the Kingston Penitentiary for the month of June.

No statement of this industry has since been received. According to the cash returns the sales of binder twine to the end of November amounted to over $46,000.

I have to ask to forward all the statements in arrears and I wish you would give positive instructions to the proper officer to forward the statement regularly each month in future.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, January 15, 1902.

SIR,—I have received your letter of the 13th instant, enclosing returns *re* Binder Twine Industry.

Those for October and November are not complete. The summaries covering transactions in raw material and twine, are not furnished.

In the August return 320 lbs. pure manilla and 1045 lbs. standard are reported short, but nothing is furnished to show how this shortage arose, or what inquiry was made into the matter.

Mr. Henderson Black of St. Johns, Quebec, purchased all the twine on hand and unsold July 1, with the exception of one ton of sisal; the Penitentiary to be cleared by August 15. According to the September return, there was 322,082 lbs. twine on hand at the close of the month, from which should be deducted 120,305 lbs. manufactured in July, August and September, leaving over 180,000 lbs on hand that should have been shipped and paid for before August 15.

Up to the end of November Mr. Black had deposited only $3,484.58 on account of this balance.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

JUSTICE DEPARTMENT, OTTAWA, January 24, 1902.

SIR,—Referring to your letter of the 15th instant I enclose herewith the statements of raw material and manufactured twine for the months of October, November and December last, together with the statement of twine shipped during December. I also enclose statements of the clerk of industries and superintendant of the twine factory giving the explanations asked for in your letter above referred to.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.S.*

KINGSTON PENITENTIARY, KINGSTON, ONT., January 23, 1902.

DEAR SIR,—I have the honour to acknowledge the receipt of your favour of the 16th inst. enclosing letter of the Auditor General under date of January 15 inst. *re* binder twine, addressed to Mr. E. L. Newcombe, Deputy Minister of Justice.

In reply I have the honour to state that the statements for October and November were sent down incomplete owing to the absence of the Superintendent of the twine industry.

We enclose them herewith completed together with those for December.

Regarding the shortage of 320 lbs. of pure manila and 1,045 lbs. standard reported short in the August return, I have the honour to say that the fullest inquiry was made into this shortage at the time it was reported by the Superintendent. In going over the statements of "twine manufactured" (kept by the Superintendent), he finds that a portion of the twine manufactured on a certain day was, through an error, counted twice, thus his books shewed that he had stored a greater quantity than he had manufactured and the error was only discovered when we came to clean out of the warehouse these two grades of binder twine. I attach a letter which I asked the Superintendent of the factory to furnish me for your information.

Regarding Mr. Henderson Black not having lived up to the terms of his contract I have only this to add,—that we endeavoured through all rational means possible to have this contract closed on August 15. This however we were unable to accomplish and it was not until November 25 that Mr. Black made a satisfactory settlement for twine then undelivered. In fact a small balance of $2.03 was not paid until January 7 inst. Of our endeavours to have the terms of the contract adhered to the Department is fully aware as we have advised you from time to time as to how matters stood.

We also have carried since January 1901, a large quantity of twine sold to Mr. John Connor and not until the 15th inst. did we succeed in receiving a final settlement for this twine, all of which has now been delivered with the exception of thirty thousand pounds, for which he has paid and holds our warehouse receipt.

Of the 322,082 pounds of which the Auditor General speaks as being on hand at the end of September 1901, I beg to say, of this amount 149,945 lbs. belonged to Mr. John Connor, 76,145 lbs. was held to the order of Henderson Black while the balance, 95,992 lbs. belonged to the Penitentiary.

The Auditor General stated "that up to the end of November Mr. Black had deposited only $3,484.58 on account of this balance" against this we also held his deposit of $3,500 which, according to the terms of the contract was to be taken into account in

the final settlement. Mr. Black therefore only owed us a balance of $2.03 which he has since paid.

I also enclose herewith a statement of the Henderson Black account giving the dates and amounts of shipments and the dates and amounts of cash received.

Trusting that the explanations given herein will be satisfactory to yourself and the Auditor General,

I am, sir, your obedient servant,

Inspector of Penitentiaries. W. S. HUGHES, *Clerk of Industries.*

KINGSTON PENITENTIARY, KINGSTON, ONT., January 23, 1902.

W. S. HUGHES, Esq.

DEAR SIR,—Replying to your inquiry of this date regarding the shortage of 320 pounds of 'pure manila' and 1,045 pounds of 'standard' twine I would say that this was occasioned by a portion of a day's work being counted twice when being stored in the warehouse.

It was only when the last of these qualities of twines was shipped that this error could be discovered.

Yours sincerely,

Clerk of Industries. THOMAS P. CONNOR,
Superintendent Factory.

AUDIT OFFICE, OTTAWA, October 4, 1902.

SIR,—I enclose a statement of the sales of binder twine during 1901-2 compiled from the returns furnished by your department and which calls for $91.63 more than has been deposited.

The quantities accounted for as shown on this statement are less than the quantities shown on the stock accounts as per the following memo :—

——	As per stock account.	As per details accounted for.	Difference.	
			Short.	Over.
Maple Leaf	17,315	17,325	.....	10
Sisal	352,738	348,118	4,620	
Mixed manilla	290,257⅚	289,598½	659⅓	
Standard	10,625	10,625	.....	
Beaver	373,438	372,098	1,340	
New Zealand	1,020	1,020	.....	
	1,045,393⅚	1,038,784½	6,609⅓	

I have to ask for an explanation of these differences, at your earliest convenience, as the part of the Audit Report appertaining to the Justice Department will shortly be sent to the printers. The delay in calling attention to these differences arises from the fact that the returns for June reached this office only on September 27.

I may add that if the statements of details of the twine shipped were added by the officers preparing them, any differences with the stock account would be disclosed. Per haps you will be good enough to see that this will be done in the future.

I am, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

JUSTICE DEPARTMENT, OTTAWA, November 18, 1902.

SIR,—With further reference to your letter of the 4th ultimo and subsequent correspondence the explanations which have been submitted by the clerk of industries may be summarized as follows ;—

(1) 'Maple Leaf'. Your statement that the 'statement of details' shows an excess of 10 lbs over cash returns is explained by the fact that on July 10, a shipment of 325 lbs was entered in the shipping 'details' as 335 lbs.

(2) 'Sisal'. A parcel of twine consisting of 4615 lbs was inadvertently charged to stock twice, being returned as sent from factory to warehouse both in July and the August returns. The manufactured twine is transferred from the factory to the storehouse by convicts in charge of a guard. The superintendent is responsible, and uses his best endeavours to prevent mistakes. It is, however, difficult to prevent occasional errors, and when they occur it is difficult to detect them until stock-taking at the end of the fiscal year. The clerk of industries is of opinion that the 4615 lbs referred to represents the total discrepancy in the statement of sisal.

(3) 'Monarch'. Of the 659 lbs, referred to, it is explained that a lot of 623 lbs was charged twice against stock in the same manner as the error cccurred regarding sisal. The summary statement for July 1901 shows an excess of 623 lbs over the detailed statement of shipments for that month. The clerk of industries is of opinion that this represents the entire discrepancy as his books show an exact balance.

(4.) 'Beaver'. By referring to the return of twine shipped during January 1902 and the "details" of twine shipped for the same month it will be seen that 1340 lbs of 'Beaver' was used to complete an order for 'Monarch'. The lot was not carried in stock as 'Monarch', but was sold as such, and accounted for in the returns accordingly.

(5.) 'Adjustment of returns with cash deposited'. This is explained by the clerk of industries as an error in the shipping returns of July 24, 1901, by which a lot of twine amounting to $38.50 sold to a Mr. Smith was included in the shipping returns although it had been bought and accounted for in the returns of June previous, and deducted from stock at the end of June 1901; by a similar error on August 9, 1901, regarding a lot amounting to $28.00 belonging to Mr. Ross of Alberta. These lots will be found to have been previously accounted for, and therefore have no connection with either the stock or cash accounts of 1901–2. The balance of the supposed discrepancy is accounted for by the fact that 385 lbs of twine was supplied the institution on requisition and merely debited to the other departments of the prison to which it was supplied.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

AUDIT OFFICE, OTTAWA, November 24, 1902.

SIR,—I have received your letter of the 18th instant explaining shortage in cash and twine referred to in my letter of October 4.

You state that the shortages in Sisal and Monarch are, in the main, on account of some double charges to stock. As no detailed statements of the stock account are furnished, there are no means of verifying this statement. Presumably this overcharge must have been discovered at stock-taking, and it seems to call for some explanation why no reference was made to it on the statements since furnished this office. I may also remark that I called attention to shortages in shipments, and you account for them by overcharges in quantities charged to stock.

You state that 1340 lbs of Beaver on hand in January was used to fill an order for Monarch. In that case the shortage in Monarch is increased by a like amount. The returns claimed that 290,257⅝ lbs. had been shipped. In my letter of October 4, it is stated that only 289,598½ lbs. are accounted for, leaving a shortage of 659⅛ lbs. To make up this amount the whole shipment in January is used viz: 1,340 lbs. of Beaver and 24,405 lbs. of Monarch. If the 1,340 lbs. is credited to Beaver, the shortage in Monarch is increased to 1,999½ lbs. You state that 623 lbs of this was twice charged to stock account. There is still 1,376½ lbs. to be accounted for.

In explanation of the shortage of $91.63 in the cash, you state that an item of $28 for twine shipped to W. Ross of Alberta was included both in the June and August returns. I do not find that it is entered in the August return.

I am, sir, your obedient servant,

Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, October 6, 1902.

SIR,—Referring to your expenditure for 1901-2 on account of Salaries and contingencies' Senate, I notice in S. & H. Borbridge's accounts charges for six leather trunks for Senators and one state room trunk for Molyneux St. John, Gentleman Usher of the Black Rod. In connection with this I have to repeat my objections of last year to smilar payements, (The correspondence on pages O-70 to O-72 of the Auditor General's Report, 1900-1901) that neither the report of the Committees referred to nor the terms of a general vote authorize this expenditure.

Please explain on what grounds a state room trunk is given to Mr. St. John, as even your alleged authorithy does not appear to cover this charge.

I am, sir, your obedient servant,

The Clerk of the Senate. J. L. McDOUGALL. *A. G.*

Re Leather Trunks for Members of Commons and Pressmen.

AUDIT OFFICE, OTTAWA, October 6, 1902.

SIR,—I notice in your expenditure on account of 'Contingencies' House of Commons, for 1901–2, payments to S. & H. Borbridge and Geo. May & Sons to the amount of $1,600 for 64 leather trunks at $25 each. These trunks were supplied to 55 members of the House of Commons and 9 members of the press gallery. In connection with this expenditure I have to repeat my objections of last year to similar payments, (The correspondence is published on pages O–73 to O–75 of Auditor General's Report for 1900–1) that neither the adoption of the report referred to nor the terms of a general vote justify these payments.

I am, sir, your obedient servant,

The Acting Clerk, House of Commons. J. L. McDOUGALL, *A.G.*

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, Jan. 23, 1902.

SIR,—I have the honour to acknowledge the receipt of your letter of the 22nd instant, stating that you withheld our application of the 21st instant for a further credit of $100,000 until you receive accounts in support of advances made during the current fiscal year, and in reply I beg to inclose you the following vouchers:—F. Anderson, B. H. Fraser, P. Harty, H. E. Fosbery, W. Bell Dawson.

With reference to the advance made to E. E. Prince of $750—which should read $700—I may say that the cheques making up this amount were handed over to Professor Loudon, for expenses in connection with the biological station at Georgian Bay. Professor Loudon has furnished his accounts, showing a balance due him of some $200. The department is in correspondence with Professor Loudon in respect to certain vouchers which were not complete; when received, the vouchers will be sent to your office.

With regard to the advance made to Mr. Venning on account of the Noble investigation, I beg to say that I am unable to furnish vouchers for this owing to Mr. Venning's illness. So soon as he returns to the department I shall see that his account is sent you.

Re advance of $255 to W. W. Stumbles. The accounts in support of this advance are now in course of preparation, and will be sent you at once.

With regard to the advance of $150 to A. Theriault, I beg to inform you that Mr. Theriault has been instructed to furnish his vouchers in support of this advance immediately.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, January 30, 1902.

SIR,—I beg to inform you that I have not yet received the necessary vouchers in support of advances made to Messrs. Venning, Stumbles, Prince, Spain and Theriault during the current fiscal year. Please cause these accounts to be sent me at your early convenience.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, February 17, 1902.

SIR,—I beg to return herewith the detailed accounts sent me in support of advances to cover travelling expenses made to Mr. W. W. Stumbles by cheques 509, 1707, 4261 and 5773 of the current fiscal year. You will notice that Mr. Stumbles does not certify on the accounts that the whole expenditure was incurred on government business, and that the various items are the actual disbursements made by him.

There are a few charges which I have marked with blue pencil for which vouchers should be obtained. Please ask Mr. Stumbles to supply the omission in these cases.

I shall be glad, if, in regard to all future accounts for travelling expenses rendered by the officers of your department, you will mark them approved, or in some way indicate that they have been brought specially to your notice.

Please return the accounts.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, Feb. 18, 1902.

SIR,—In reply to your letter of the 17th instant, asking to be informed if all advances to cover travelling and other expenses made during the current fiscal year, or remaining over from last year, have been accounted for, I am to inform you that a portion of the vouchers in support of advances made to Mr. Stumbles have already been sent to your office.

Professor Prince's account was sent you with the January vouchers.

Mr. Venning is preparing his account in connection with the Noble investigation, and it will be sent you at an early date.

Mr. Theriault has been instructed to furnish the necessary vouchers in support of advances made to him, and this matter will be pushed.

With regard to the advances to Professor Prince on account of the biological station, Georgian Bay, I am to inform you that the vouchers in support of the advances are now in the department, and as Professor Prince has just returned from British Columbia they will be submitted to him for his approval and certificate before being sent to your office.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, Feb. 19, 1902.

SIR,—I have the honour to acknowledge the receipt of your letter of the 18th instant, with reference to certain advances made during the current fiscal year to cover travelling and other expenses. It seems to me that there is no good reason for any further delay in accounting for the advances made to Messrs. Venning, Stumbles and Theriault, and the balance of last year's advances made to Commander Spain.

I will pass this application, but I shall be unable to pass subsequent applications until the necessary accounts in respect of these advances have been sent me.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, February 26, 1902.

SIR,—In reply to your letter of the 19th instant, requesting certain accounts for travelling expenses of officers of this department, I have to inform you that Mr. Stumbles, one of the officers referred to, has returned the accounts which you sent to the department for additional certificate, and your request has been complied with so far as that officer is concerned.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, March 11, 1902.

SIR,—With respect to the advances made to Mr. Gordon, his accounts are now in the hands of the department and show an expenditure of $400. The unexpended balance of $50 will be applied towards another trip to Kingston on account of the investigation for which the advances were made, and which is not yet closed.

Mr. Theriault's accounts have been received, and the department is waiting the receipt of a sub-voucher before forwarding them to your office.

I have instructed Commander Spain, Mr. Venning and Mr. Stumbles to render their accounts at once.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, March 12, 1902.

SIR,—I beg to acknowledge receipt of your letter of the 11th instant, with further reference to the advances for travel or other disbursements made to Messrs. Venning, Theriault, Gordon, Spain and Stumbles. These advances, it seems to me, should have been accounted for sometime ago, and in consequence of the long and apparently unnecessary delay in rendering the required accounts, I beg to inform you that I shall be obliged to drop from your April monthly pay-list the salaries of the clerks concerned unless in the meantime the advances shall have been accounted for.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, May 19, 1902.

SIR,—I beg to acknowledge the receipt of your letter of the 16th instant, giving a list of advances made under your letter-of-credit during the month of April last, only two of which have been accounted for. Please let me know the cause of delay in the other cases.

I should like to be informed of the reasons for having made an advance of $400 to Commander Spain, in view of the fact that there is yet some $700 from last year unaccounted for.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, May 27, 1902.

SIR,—Referring to your letter of 19th instant, asking the cause of the delay in accounting for the advances issued by this department during the month of April, I am to inform you that the advance to Captain Spain of $400 was made for the purpose of contingent expenses in connection with placing the fishery cruisers in commission for the summer's work.

The advance to Captain Douglas has been refunded, and those to B. H. Fraser and A. P. Sherwood accounted for.

The advance to W. C. Gordon was in connection with the stranding of the ss. *Lake Superior*. This account is being prepared, and will be forwarded immediately to your office.

The advance to Mr. Cunningham is on account of fish hatcheries. He is at present absent from Ottawa inspecting the hatcheries.

The advance to Mr. Belliveau was for disbursements for travelling in the province of Quebec. He has returned, and will be asked to render his account.

The advance to Bruce Stewart & Co., of $2,000, is on account of their contract of $4,500 for constructing a donkey boiler for the *Stanley*.

The advance to Wm. Parker is on account of distributing fry, which work is not yet completed.

The advance to W. J. Stewart is the usual one given when starting on the hydrographic survey.

The advance to A. Lord is for work now going on at Sea Cow Head Light.

The advances to N. Lavoie and W. Wakeham are for expenses in connection with the fisheries in the Gulf of St. Lawrence.

The advance to F. J. Harding is for pay-list for repairs to *Lansdowne* now going on. The men engaged on this work have to be paid weekly.

The advance to D. Stevens is in connection with steamboat inspection and inspection of government steamers and boilers, having been instructed by the department to proceed from Halifax to Toronto and Ottawa.

With reference to the unaccounted advance of last year to Captain Spain, I am advised that Captain Spain intends leaving Halifax for Pictou on the 28th instant, where his accounts and vouchers are, and he will then forward the accounts asked for.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, May 29, 1902.

SIR,—I beg to acknowledge the receipt of your letter of the 27th instant, in explanation of the advances made during the month of April and yet unaccounted for, and to point out that all these advances for travel or other disbursements should be accounted for immediately on completion of the trip or work to which they apply.

In the case of the advance to Mr. Gordon, and more particularly the advances to Commander Spain, there seems to be no good reason for the delay in sending in the necessary accounts.

For the present I have passed your application. In the future be good enough to cause all advances to be accounted for within a few days after the money has been spent, or work to which it applies has been completed.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

Accounts Rendered by A. Theriault, not Satisfactory.

AUDIT OFFICE, OTTAWA, April 1, 1902.

SIR,—With reference to the accounts which you have sent me in support of $150 advanced to Alfred Theriault, employed at the Marine storehouse on Sussex St., I beg to call your attention to the dates of the various payments made by Mr. Theriault. You will notice that practically the whole advance of $150 was paid out in the month of February last, though the cheques were issued in his favour as far back as July, 1901.

Please let me know why this money was advanced to Mr. Theriault. Please forward his application to you.

Why was payment of the accounts in question made through Mr. Theriault instead of by cheque in favour of the creditor?

The vouchers sent me in support of the payments for cartage are receipts only. The dates and other particulars respecting the various trips made should be given.

I understood from you that during the current year all accounts coming from Mr. Theriault would be examined and certified by Mr. Anderson, Chief Engineer, or Mr. Harty, Inspector of Lights, either of whom must be in a position to know the material or other requirements in connection with the maintenance of lights which would pass through the storehouse at Ottawa.

I return the accounts for further details and certificate in the direction I have indicated.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, April 22, 1902.

SIR,—I find from the list of cheques issued during the month of March last, under the letter-of-credit in favour of yourself and the accountant, that a fresh advance of $100 has been made to Alfred Theriault from the appropriation for the maintenance of

lights. I understood from you sometime ago that no further cash payments would be made through Mr. Theriault, but that any expenses necessary in connection with the storerooms on Sussex St. would be paid in the ordinary way by departmental cheques, after the accounts had been examined and certified by the Chief Engineer, or such other permanent officer of the department as had personal knowledge of the expenditure in connection with the maintenance of lighthouses. The advance should, I think, be refunded.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, April 23, 1902.

SIR,—I have to acknowledge receipt of your letter of 22nd instant, in respect to the advance of $100 made to Alfred Theriault from the Appropriation for Maintenance of Lights, and stating that you understood from me that no further cash payments would be made through Mr. Theriault, but that anything necessary in connection with the storerooms on Sussex St. would be paid in the ordinary way by departmental cheques after the account had been examined and certified by the Chief Engineer, and in reply, I am to inform you that I stated that I would not allow any payments to be made for freight, cartage and labour in connection with the storeroom unless authorized by me, and the accounts certified by a responsible officer of the Engineer's branch of the department.

At this time of the year when arrangements are being made for supplying lighthouses and repairing lanterns returned to the storeroom, it is necessary that Mr. Theriault should be provided with funds to meet petty expenses instead of leaving his work and coming to the department for a small cheque.

For this reason I recommended an advance be given him, and which will be duly accounted for.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, May 2, 1902.

SIR,—I beg to acknowledge the receipt of your letter of the 23rd ultimo, respecting an advance of $100 made to Alfred Theriault to cover disbursements in connection with the Marine storerooms on Sussex St. This advance, as you are aware, was made while Mr. Theriault had $30, advanced last year, unaccounted for.

Please cause both these amounts—$100 and $30—to be refunded; and if you consider it necessary that Mr. Theriault should have cash on hand to meet small expenditures, an advance equal to one month's outlay may be made in his favour.

Mr. Theriault would then render monthly accounts which would be paid in the usual course, leaving the first sum in his hands at the beginning of each month. The account would be closed at the end of June.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, December 10, 1902.

SIR,—I have again to call your attention to the accounts rendered during last year by Alfred Theriault in support of disbursements made by him in connection with the maintenance of lights above Montreal.

These accounts are not certified by the Chief Engineer of the department or some other equally responsible officer, as I understood from you in conversation they would be, nor are the necessary details in regard to the various charges for cartage given.

At the end of the fiscal year Mr. Theriault had on hand $190 unaccounted for; during the current fiscal year $90 of this amount has been accounted for, leaving now oustanding $130, of which $30 belongs to the year 1900-1901.

Please see that all arrears are wiped out at once, and that advances made this year are immediately accounted for.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, December 9, 1902.

SIR,—I notice on the accounts in connection with the storerooms on Sussex St., of last year, that Alfred Theriault certifies as storekeeper. Please let me know the date of his appointment as such, and the authority under which it was made.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, Dec. 9, 1902.

SIR,—I have the honour to acknowledge the receipt of your letter of to-day's date, stating that you notice on the accounts of last year, in connection with this department's storeroom on Sussex St., that Alfred Theriault certifies as storekeeper, and asking me to let you know the date of his appointment as such, and the authority under which it is made.

In reply, I beg to inform you that Mr. Theriault does not act as storekeeper by virtue of appointment by order-in-council or other authority of like force; as a matter of fact, there is no order-in-council sanctioning even his employment as a mechanic in this department, it being held by the Deputy Minister of Justice that the Minister of Marine and Fisheries has power under clause 3 of the Act relating to the Department of Marine and Fisheries (Acts 1892, chapter 17) to appoint such an employé as Mr. Theriault. A copy of this opinion was forwarded to you on May 16, 1894.

The circumstances of this case are as follows:—The storeroom in Sussex St. is intended for the storage of certain articles required in connection with the lighthouse service, and it is also used as a workshop by Mr. Theriault, who is a skilled mechanic, and whose duty it is to repair lighthouse apparatus. He is responsible for the condition as well as the safety of the property placed in his charge in the storeroom, in other words, he is the storekeeper.

If, however, you are of opinion that the word 'storekeeper' is misleading in his case, and if you will kindly let me know what other word, if any, you think had better be used under the circumstances, I shall be most happy to meet your wishes in the matter, as the point at issue, whichever way it is settled, will not involve any change in Mr. Theriault's duties.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, January 7, 1903.

SIR,—I have the honour to acknowledge the receipt of your letter of the 9th ultimo, with reference to the position and duties of Mr. Alfred Theriault employed at the Marine Stores on Sussex St.

So far as I can learn, Mr. Theriault was brought into the department as a mechanic, and I presume that he is discharging the duties of that position in a satisfactory manner.

He has been entrusted also with another duty, that of keeping an account of certain disbursements for which he, however, seems quite unsuited.

I am not in a position to make any remarks as to the manner in which this latter duty, if it is absolutely required, should otherwise be done; but it seems quite clear that, as Mr. Theriault, whether he is a good mechanic or not, is a very indifferent clerk, the work of being a custodian of money and giving an account of how it may have been expended should be taken out of his hands.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

Electric Designs for Steamers 'Aberdeen' and 'Minto.'

AUDIT OFFICE, OTTAWA, March 14, 1902.

SIR,—I beg to bring to your notice voucher 4990 of the current fiscal year rendered by Ahearn & Soper for two electric designs of 361 lights for the steamers *Aberdeen* and *Minto,* $541.50. This account is certified by yourself 'received, prices fair and just.' In addition to this certificate the account should be certified by the captains, or other officers of the steamers, who are personally responsible for the receipt and safe-keeping of the articles in question, that each was received containing so many lights. It would also be more satisfactory if you had procured the certificate of an electrician as to the reasonableness of the price paid. Of what material were the designs made?

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, March 21, 1902.

SIR,—I have to acknowledge the receipt of your letters of the 14th instant, calling my attention to voucher 4990 of the current fiscal year, rendered by Messrs. Ahearn & Soper for two electric designs of 361 lights for the steamers *Aberdeen* and *Minto,* amounting to $541.50, and stating that the account should be certified by the captains or other officers of the steamers who are personally responsible for the receipt of the consignment. In reply, I am to inform you that the department entered into an arrangement with Messrs. Ahearn & Soper for two electric signs 20 feet long by 16 inches high, electric letters 14 inches, each sign bearing the words 'Canadian Cruiser,' price, including lamps, wiring, &c., all complete, for $1.50 per lamp. These signs were connected with electric current in Ottawa so that I could see them illuminated before the shipment was made to Quebec.

The signs were used for decorating the ships on the occasion of the visit to Canada of Their Royal Highnesses the Duke and Duchess of Cornwall and York.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, March 25, 1902.

SIR,—I beg to acknowledge the receipt of your letter of the 21st instant, with reference to certain payments for electric lights and designs in connection with the recent visit of Their Royal Highnesses the Duke and Duchess of Cornwall and York, to which I called your attention on the 14th instant, and to point out that you have not sent me the certificate of receipt from the captains or other proper officers of the steamers *Aberdeen, Minto* and *Quadra,* which I asked for.

Is it not yet possible to obtain the certificate of an electrician, or some person in the service of the government, specially qualified on electrical equipments to give a certificate in regard to the price paid?

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, March 27, 1902.

SIR,—Referring to your letter of the 25th instant, in further reference to certain payments for electric lights and designs in connection with the recent visit of Their Royal Highnesses the Duke and Duchess of Cornwall and York, I have to state that the work of illumination on board the steamers *Minto, Aberdeen* and *Quadra* was under the supervision of the engineers of the boats, who understand such work, and that no electrician or specially qualified government officer was employed from whom a certificate, such as you suggest, could be obtained.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, April 7, 1902.

SIR,—I beg to acknowledge the receipt of your letter of the 27th ultimo, stating that the electric designs purchased for the steamers *Aberdeen, Minto* and *Quadra* were used by the engineers of these vessels, and that no special electrician was employed. It is necessary to the completion of the vouchers sent me to forward to me a certificate from these engineers to the effect that the designs described in the vouchers upon which payment was made, stating the number of lights in each and any other particulars that would give an idea of their cost, were received and used in connection with the Royal reception, and that the price charged is fair and just.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, April 9, 1902.

SIR,—I have the honour to acknowledge the receipt of your letter of the 7th instant, with further reference to the vouchers for the electric designs purchased for the steamers *Aberdeen, Minto* and *Quadra,* and intimating that you require a certificate from the engineers of these steamers to the effect that the design described in the vouchers, upon which payment was made, was received and used in connection with the Royal visit, and that the prices charged are fair and just.

In reply, I beg to say that this department was quite satisfied that the designs furnished were in every particular as agreed upon before payment was made, and as I have already mentioned no special electricians were employed, as the engineers of the vessels thoroughly understood these electric designs.

I have, however, directed that the engineers of the steamers mentioned furnish the certificates which you require, and they will be forwarded to you immediately on their receipt. Some little time, however, may elapse before I am in a position to supply the certificates.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

Accounts Fiscal Year 1900-1901 paid in 1901-1902.

AUDIT OFFICE, OTTAWA, March 24, 1902.

SIR,—I have noticed in examining the vouchers sent me in support of expenditure during the current fiscal year for the Dominion steamer *Aberdeen* that, in several in-

stances, accounts rendered for supplies delivered in May and June of the fiscal year 1900-1901 have been paid in this year. The practice of holding over accounts from the year to which they properly belong is, as you know, irregular, and I shall be obliged if you will let me know your reason for having done so in the present instance. I have already called your attention to the specific cases of the pay-lists of this steamer for May and June having been held over, but there are also several accounts for supplies.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

Payment not Properly Accounted for.

AUDIT OFFICE, OTTAWA, April 12, 1902.

SIR,—I beg to bring to your notice cheque 12318 for $405 issued in favour of U. P. Boucher to pay for land for lighthouse sites. Please let me have the vouchers sent the department by Mr. Boucher in support of this advance.

Why were not cheques issued in payment of these sites in the usual way, in favour of the owner and the agent of the Department of Justice?

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, Feb. 9, 1903.

SIR,—Referring to your letter of the 5th ultimo, in regard to the payment of $405, made during last year by cheque No. 12,318, to U. P. Boucher, to pay for land for lighthouse sites, and stating that no vouchers in support of the disposition of this amount by Mr. Boucher had been sent you, I have the honour to forward herewith copy of a communication received from Mr. Boucher, dated September 6, 1902, transmitting deeds for the purchase of the lighthouse sites, which represent vouchers for the above amount, namely, $405, also copy of a communication from this department to the Registrar General, Ottawa, transmitting the deeds alluded to, and requesting him to have them registered in his office, and also copy of a communication from the Under-Secretary of State, dated September 13 last, acknowledging receipt of the deeds, and intimating that the request of this department would be attended to.

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

Allowance for Living Expenses in Excess of Actual Expenses.

AUDIT OFFICE, OTTAWA, November 26, 1902.

SIR,—I notice, in the examination of accounts rendered by Commander Spain during last year, that he is still allowed $6 a day to cover living expenses when employed on investigations into wrecks. I know he claims this allowance under the authority of an order-in-council, but nevertheless, it is in my opinion illegal. I shall be glad, therefore, if you will refuse to allow his claim in this respect until you have submitted the point at issue for the decision of the Treasury Board.

You will recollect how that is done. Instead of paying through the credit, make a direct application for the payment of Commander Spain's account to this office. When this office declines to pay you may make an application to the Treasury Board for an overruling.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, Nov. 29, 1902.

SIR,—I beg to acknowledge the receipt of your letter of the 26th instant, referring to an allowance of $6 a day made to Captain Spain to cover living expenses when employed as a Commissioner investigating into ship wrecks, and stating that in your opinion such allowance is illegal, and suggesting a ruling of Treasury Board on the subject.

In reply, I may state that after looking into this question, I am unable to discover under what regulation objection can be taken to an allowance of this kind in view of the order-in-council of June 6, 1901, copy of which is attached for your information.

Under these circumstances, I shall esteem it a favour if you will kindly inform me in what particular and under what regulation you consider the authority granted in the order-in-council above quoted as illegal.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, December 4, 1902.

SIR,—I have the honour to acknowledge the receipt of your letter of the 29th ultimo, with reference to the allowance, under order-in-council, of $6 per diem made to Commander Spain to cover living expenses when employed as a Commissioner investigating ship wrecks and other marine disasters.

In my view of the powers of the Governor in Council over the expenditure of the moneys provided by the Supply Bill, the authorization of any payment for travelling expenses beyond the amount actually incurred is illegal, as it is simply making an addition to the salary to that extent.

A reasonable allowance may not be open to objection, as it would practically be the amount of the actual expenses; but in the case, say of the investigations held at Kingston and St. John last year, the allowance of $6 per diem is plainly far more than sufficient for the purpose intended. Mr. Gordon, the stenographer, who accompanied Commander Spain, stayed at the same hotels, and his expenses for hotel accommodation, which was as good, I presume, as that provided for Commander Spain, were much below the allowance claimed.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

Re Wharfs and Piers Revenue.

AUDIT OFFICE, OTTAWA,, July 15, 1902.

SIR,—I wrote you in April last that scarcely any returns had been received from the wharfingers in the provinces of Quebec, New Brunswick and Prince Edward Island.

You replied on the 15th in reference to those from New Brunswick, and on the 21st in reference to those from Prince Edward Island, stating that you had communicated with your agents, directed them to procure and forward returns, and as soon as received and examined they would be transmitted to this office. You did not reply in reference to the Quebec wharfingers.

I have not heard from you since in reference thereto, and the returns are still wanting.

As the fiscal year is now complete, I have to ask you to take immediate steps to insure that these returns will be forwarded to this office with the least possible delay.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, January 16, 1903.

SIR,—Referring to my letter of July 15 last, I have now to inform you that revenue has come to account during 1901-2 from the following wharfs, but the wharfingers' returns have not been furnished:—

Province of Quebec.

Anse St. Jean	$ 49 33	Murray Bay	$163 69
Baie St. Paul	79 45	Rivière du Loup	124 00
Beauport	31 40	St. Alphonse de Bagotville	152 24
Berthier	35 00	St. Irene	55 69
Cap à l'Aigle	45 95	St. Laurent d'Orleans	67 73
Chicoutimi	271 47	Tadousac	122 46
Les Eboulements	72 56		

New Brunswick.

Anderson's Hollow	$ 46 73	Buctouche	12 62
Campbellton	235 37	Cape Tormentine	423 66
Cocagne	2 10	Dalhousie	34 49
Edgett's Landing	7 71	Hopewell Cape	23 21
Quaco	7 31		

Your agents at Quebec and St. John should be instructed to insist on wharfingers supplying returns of their collections, and to forward them to your department.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, Jan. 26, 1903.

SIR,—I am to acknowledge the receipt of your letter of the 16th instant, stating that a number of wharfingers' returns had not been furnished. I am to inform you that the agents at Quebec and St. John have been instructed to procure the missing returns, and forward them as soon as possible.

With reference to the amount for Rivière du Loup, $124, this amount was included in the return for 1901 as owing by the Richelieu and Ontario Navigation Company. The return was forwarded to you with the Marine Revenue Statement for January, 1902.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, April 26, 1902.

SIR,—The last statement and bank receipts in connection with Wharfs and Piers Revenue which came to hand on the 18th instant, contained a deposit of $23.93 for wharfage dues collected from Messrs. Moran, Seldon & Co., on lumber shipped off the government wharf at East Jordan, N.S., during January, July, August, September, October and December, 1900.

The amount of Messrs. Moran, Seldon & Co.'s account seems to have been $88.39, but under a heading marked revised account, deductions varying from 50 to 66⅔ per cent have been made in most of the extensions reducing it to $32.24; this amount, less $8.31, which was retained by the wharfinger for commission and cost of remitting, gives the net amount deposited $23.93. I shall be glad to know if in the account of Messrs. Moran, Seldon & Co. for $88.39 there are any inaccuracies in the quantities of lumber shipped or in the tariff rates charged, and if not, why the account was reduced.

The long delay intervening between the dates when the collections should ordinarily have been made and the time they were reported at this office needs explanation.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, April 30, 1902.

SIR,—In reply to your letter of the 26th instant, relating to the account of Messrs. Moran, Seldon & Co., for wharfage at the government wharf at East Jordan, N.S., and inquiring why the amount was reduced from $88.39 to $32.24, I have to inform you that the wharfinger overcharged Messrs. Moran, Seldon & Co.

The Tariff of Tolls provides that lumber exported shall be charged 10 cents per thousand feet deal measure. This lumber was exported, but the wharfinger did not appear to notice the item in the Tariff of Tolls, providing for exported lumber, and consequently the bill was nearly three times as much as it should have been.

The cause of the delay in the payment of the account the department cannot explain, as the money was not received, although several letters were sent directly from here, as well as from Halifax, requesting Messrs. Moran, Seldon & Co., to settle the account. They were also threatened with legal proceedings. Two of the items of the account are for piling lumber as well as for wharfage, and in the case of these two items the charge was reduced 50 per cent instead of 66⅔ per cent.

In a general way, I have to inform you that the department has a great deal of trouble in collecting wharfage from the people who use government wharfs, and also in having the wharfingers carry out their instructions, with, of course, some exceptions. The compensation for the attention to the wharfs is generally so low that wharfingers cannot afford to give the whole of their time to the work, and if wharfingers were renumerated to the full value of their work the whole of the collections would be swallowed up.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

Re **Sault Ste. Marie Wharf.**

AUDIT OFFICE, OTTAWA, February 4, 1902.

SIR,—I have to call your attention to the delay on the part of the wharfinger at Sault Ste. Marie in making his returns and depositing his receipts.

The last return to hand is that for October last. The net revenue for June last after deducting his salary was $255.74, and for July it was $250.08. The deposit covering both months was made August 7. The net revenue for August was $374.64, which was deposited September 17. The net revenue for September was $314.67, and for October $373.11. One deposit was made November 12 covering both.

The regulations of the Treasury Board are that a deposit shall be made daily if $25 is collected, otherwise whenever that sum or more is on hand.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, Feb. 26, 1902.

SIR,—In reply to your letter of the 4th instant, calling my attention to the fact that Mr. G. A. Boyd, wharfinger at Sault Ste. Marie, made his deposits of wharfage collections for June in the month of July, and for July in August, &c., I have to inform you that Mr. Boyd's attention has been called to the fact that the Treasury Board requires a deposit daily if $25 is collected.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, March 12, 1902.

SIR,—I have received your letter of February 26 *re* account of A. Carney & Co. for coal supplied to the wharfinger at Sault Ste. Marie. As no such expenditure is incurred by the government at any other wharf, and it is a new departure at this wharf, I consider, if the department decide on paying it, that it should be authorized by Order-in-Council.

You do not say what steps, if any, have been taken to find out if the A. Carney of the firm furnishing the coal is the A. Carney referred to in your letters of March 31, 1896, and February 26, 1897, as having improperly retained government money collected by him.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, April 16, 1902.

SIR,—I have your application of the 9th instant, asking for a cheque in favour of the Tagona Water and Light Co. for $158.09 in payment of electric light service, &c., on the government wharf at Sault Ste. Marie, from April to December 31, 1901.

The previous accounts rendered for this service since the appointment of the present wharfinger are as follows:—

1896-97	$ 5 80
1897-98	23 80
1898-99	32 94
1899-00	31 50
1900-01	61 69
	$155 73

Kindly explain why your present application asks for a larger amount than the total sum paid for the same service during the last five years. Did the department authorize the company to furnish the additional lamps charged for in their accounts? Although previous applications have been passed for payment by this office, I would be glad if the suggestion I made in my letter of October 12, 1897, could be carried into effect, viz., that an appropriation be asked for to cover expenses of this kind. The letter I quote will be found on page K-195 of my report for 1896-97.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, April 30, 1902.

SIR,—In reply to your letter of the 16th instant, relating to the payment of the account of the Tagona Water and Light Co., of Sault Ste. Marie, I have to inform you that a letter has been written to the wharfinger asking for the reason for the larger expenditure this year than in previous years. The department is pretty well satisfied as to the cause, but to set the matter at rest and prevent correspondence in connection with it, a report from the wharfinger has been requested.

A shed was built last year on the wharf for receiving and storing goods. Electric lamps were placed in the shed and in the office of the shed, and the expenditure was authorized. A detailed explanation, however, will be sent you.

With regard to your suggestion to have an appropriation to cover expenditure of this nature, I have to inform you that the department agrees with your suggestion, but it is too late this season to have an amount placed in the estimates.

I visited the wharf myself a few years ago to make reports, and I am aware of the amount of traffic over the wharf and the large amount of business done in connection with landing and shipping goods. This business has again become large, and I am of the opinion that it would be more satisfactory for the department to pay all necessary expenses of repairs, the wharfinger's salary, light, fuel, &c., out of an appropriation.

I also agree with your suggestion to have all expenditure of this nature paid from an appropriation for all the wharfs in the Dominion. In some cases the wharfingers are paid by percentage out of the collections, and in other cases a fixed amount is paid. Next season the matter will be brought to the attention of the minister, and I have no doubt will receive his consideration.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, May 14, 1902.

SIR,—With further reference to the account of the Tagona Water and Light Co., amounting to $158.09, for electric light service on the government wharf at Sault Ste. Marie for the season of 1901, I have to inform you that an arc light was established, costing over $60 last year, and this partly accounts for the increase in the cost of lighting the wharf. The cost of the electric light service was also increased last year by the establishment of additional lights in the new warehouse and office.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

Rivière du Loup Wharf.

AUDIT OFFICE, OTTAWA, April 10, 1902.

SIR,—Two returns have been received at this office from the wharfinger at Rivière du Loup in which the net collections are as follows:—

May to November, 1900	$334 73
April to November, 1901	490 60
	$825 33

On January 28, 1902, your department deposited $598.33 of the above amount in the Bank of Montreal here, the balance $227 is reported by the wharfinger as having been paid by the Richelieu and Ontario Navigation Co. to the Marine Agent at Quebec.

Please explain why the agent at Quebec has failed to report any collections from this wharf. This wharfinger in making deposits should be asked to follow the regulations of the Treasury Board. In this case the collections of May, 1900, did not reach the bank until January, 1901. This delay requires an explanation.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, August 27, 1902...

SIR,—Referring to your letter of the 8th ultimo, relating to the collection of wharfage at Rivière du Loup wharf, and stating that you had not found that the amount of $227 came to account, I have to inform you that this amount was paid in 1901, in the sums of $24.50, $28.50, $17.25, $8.25, $21.50, and $3, amounting to $103. In February, 1902, $93 was deposited, and $31 in April last. These amounts were deposited by Mr. Gregory.

I may state that part of the collections were sent directly to the department by the wharfinger, and part was received by Mr. Gregory from the Richelieu and Ontario Navigation Co., who paid by cheque, and Mr. Gregory divided the amounts so as to appear in the returns monthly.

I am, sir, your obedient servant,

The Auditor General. F. GOURDEAU, *D. M. of M. & F.*

Re Wharfs and Piers Revenue.

AUDIT OFFICE, OTTAWA, December 5, 1902.

SIR,—I have to call your attention to the following correspondence in reference to wharfs and piers constructed or acquired by your department, that had not been transferred to the Department of Marine and Fisheries:—

My letter March 9, 1900, *re* wharfs in Prince Edward Island.
My letter March 12, 1900, *re* wharfs in Nova Scotia.
My letter March 21, 1900, *re* wharfs in Quebec.
My letter March 24, 1900, *re* wharfs in Ontario.

Your letter of April 5, 1900, stating that it is deemed advisable to await the return of the minister to the department so that he can give his personal attention to the matter.

My letter September 10, 1900, inquiring what action had been taken.

Your letter September 12, 1900, stating that owing to the minister's present engagements you had been unable to lay the matter before him.

My letter November 12, 1901, referring to the previous correspondence and inquiring if any of these wharfs had since been transferred; also inquiring if your department collected wharfage at any of these wharfs, or if it was the practice to allow the public free use of a wharf till it was transferred to the Department of Marine and Fisheries.

To this letter I have had no reply.

In addition to the wharfs referred to in the correspondence quoted above, there are no doubt other wharfs since constructed.

I shall be glad to know at your earliest convenience what action has been taken, or is proposed to be taken, in reference to this question.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Minister of Public Works.

DEPT. OF PUBLIC WORKS, OTTAWA, December 6, 1902.

DEAR SIR,—I have received your letter of the 5th instant, in reference to wharfs and piers which have not yet been transferred to the Department of Marine.

I am having a complete statement made of all the wharfs and piers owned by this department, distinguishing those that have been transferred, in order that I may lay the list in question before the minister with all previous correspondence.

As soon as the matter is disposed of I shall hasten to again communicate with you.

Yours very truly,

A. GOBEIL, *D.M. of P.W.*

The Auditor General.
